The Story Until Now

Hibiki is a third-year high school student. She's actually secretly dating with her homeroom teacher Itou sensei. While Hibiki was not watching over her good friends Chii chan and Kousuke Chii chan was riding the stormy seas of love. In that period, Chii chan was confessed to by two boys. She cried a lot of tears but in the end, she chose to go out with Nagisa the boy that was younger. Watching that girl's happiness take shape made Hibiki feel happy for herself too. However in her love, Hibiki began to feel washed away by uneasiness. Shirakawa, a girl from Nagisa's class, began to actively confront Itou sensei?! While trusting Itou sensei, Hibiki still could not conceal her uneasiness.

Ah!! Stop it! Don't say that while we're together!!

It was that girl's voice, wasn't it.
Those two knew that I am sensei's girlfriend
How should I say it, Nakajima and
Miaki-sensei aren't that type of people.
I wonder what I should do this time
Snap
Ow...!!

Did the bow string snap?
Yeah
Here's another one
Thanks
Changed bowstring
In unlucky times I'm out of it
I can't do anything about it. Even if I think about it, it can't be helped
Alright, I won't think about it

Good morning.
Tomorrow something good will happen for sure.

Eh? But I didn't pick the color and...
What kind is it?
It's purple!
Sensei
Yesterday that first-year girl came, didn't she?
The classics teacher Tamura-sensei is sick and I will be in his place for a month, so
Today is self-study
Yaaaay

She was amazing today, wasn't she?
Wasn't she!
She protected Itou... you know
That first year, right!
Ah, Shimada, that's Itou's costume, isn't it?
It would have been better if his girlfriend made it, though.

Ikou-sensei,
Please lead the school festival's all-Hokkaido campaign
What?
Wait, don't stab it, Hibiki
Calm down
...I wonder if I should stab this

If I say that I'll stop bothering you at school will you give it to me?

I trust sensei!!
I trust you, but
This and that are different!

You're strong, aren't you?
"You needlessly got fired up."
Oh, so that's how it is
Of course
I see. Then if I don't work hard...
I won't lose.
You're putting up with too much by yourself

Yes but I will be going back already
Ah hello
Good bye sensei
It's okay it's okay stay just how you are
Could you be paying him a visit?
The fact of the matter is that I came here expressly
Thank you for coming all the way here

Nowadays teachers cause a lot of public problems and parents are also sensitive
Huh?
What is your relationship with Shirakawa?
It was a coincidence
What kind of
Reason could there be for two people who had an accident to meet up at night.
I want to believe that at just our school that kind of problem doesn't exist.
Really?
From my standpoint I am looking after someone else's important child
It is nothing other than that.

Because it's a teacher that's younger than you.
You're concerned ...
Please stop it!
Rin-sensei didn't do anything wrong!
Rescued you from a while ago ...
I simply like him on my own accord!

Then I'll be leaving before you Chii-chan
Thank you very much

However, you are a student, so fall in love.
Just given something loving someone.
Okay! Being a teacher means that you have to teach studying and cannot fall in love in that position.

How stupid
Doesn't particularly concern the principal.

If I really quit being a teacher and go somewhere,

作者コメント

♥「当たり前ですが私は女の子なので、男の人の気持ちはわかりません。男の人を描くときは、なるべく男の人の気持ちを想像しようとするのですが、やっぱりわかりません。さて男の子を男の子として意識するようになったのはいつだったかなーとか考えてたら、なんか小さいころ少女まんが読んで〝カレシっていいな！〟と思ったのが最初だった気がするなーと思いました」と語ってくれた河原和音先生。
